SAFE Pharmaceuticals (Pvt.) Ltd.

SERVING THE AILING HUMANITY
BETTER THAN BEST

Muhammad Farooq Memon
Chief Executive

I am pleased to express my heartfelt gratitude to my team at SAFE and especially new share holders for their generous support. This support is critical as we strive to accomplish our long-term strategic vision to develop SAFE into a growing, progressing pharmaceutical company with quality products. Achieving this objective requires not only increasing sales, but also maintaining quality policy based on international standards according to the laws of the land and regulation applied by Drug Regulatory Authority of Pakistan.

To improve our business end, it has become even more vital that we precisely identify high value products that are satisfying us with the feeling that we are serving humanity at its best. In these endeavors, we would like to ask my team, especially
